

Emily Johnson

Registered Nurse, Cardiac Telemetry

emily.johnson@example.com · (503) 555-0193 · Portland, OR · linkedin.com/in/emilyjohnsonrn

SUMMARY

Registered Nurse with six years of acute care experience, four on a 32-bed cardiac telemetry unit. Delivers patient care for four to five telemetry patients a shift, precepts new graduates, and led a falls-prevention project that cut unit falls by 40%.

EXPERIENCE

St. Brennan Medical Center

Mar 2022 – Present

Registered Nurse, Cardiac Telemetry

Portland, OR

- Delivered patient care for four to five telemetry patients per shift on a 32-bed cardiac unit.
- Led a falls-prevention project with hourly rounding, cutting unit falls by 40% over 12 months.
- Trained 11 new graduate nurses as their preceptor through a 12-week orientation; all passed competency checks.
- Improved patient education for heart-failure discharges, contributing to a 15% drop in 30-day readmissions.

Riverbend Community Hospital

Jun 2020 – Feb 2022

Registered Nurse, Med-Surg

Vancouver, WA

- Managed medication administration and IV therapy for up to six med-surg patients per shift.
- Documented care in Epic and served as unit super-user during the EHR upgrade for 60 nurses.
- Completed discharge planning with case management for an average of 20 patients a week.
